[Publish analytics](#)

I know the history of the development of the Internet.

 Copy

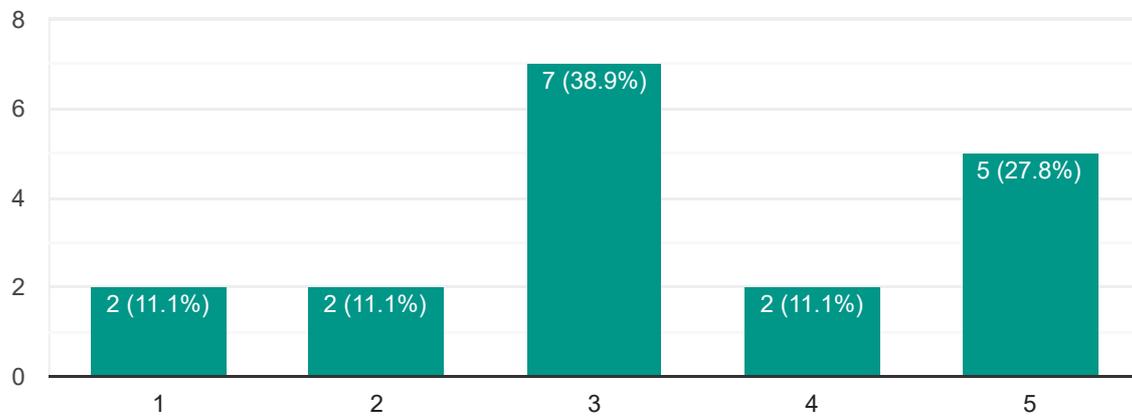

18 responses

I know about my students' online activities.

 Copy

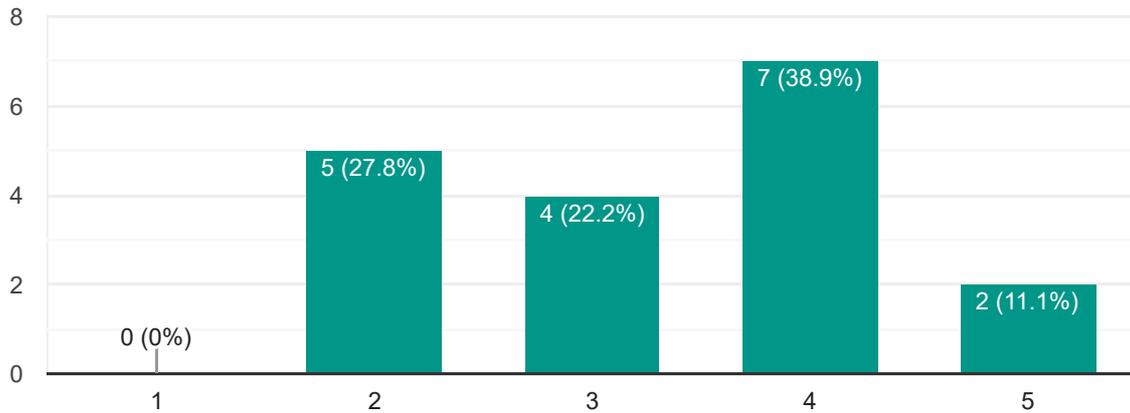

18 responses

I have enough information about the effect of the internet on human behaviour.

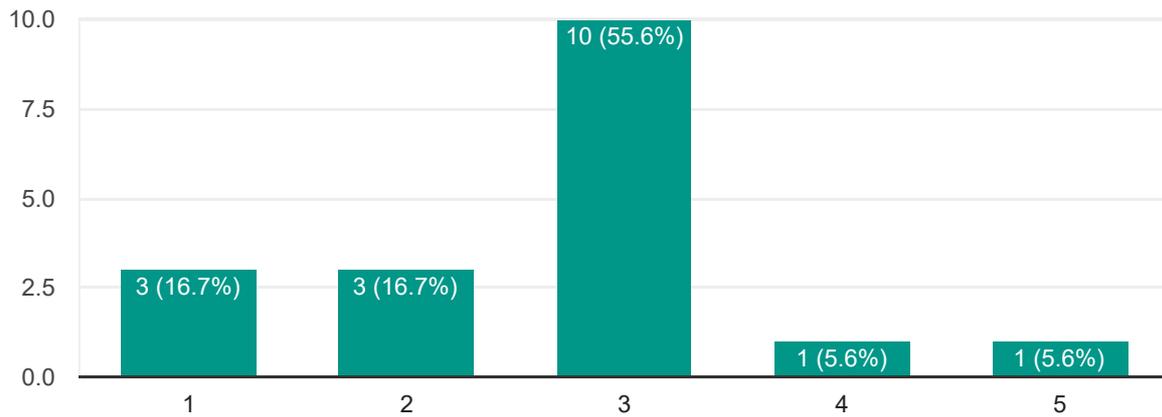

18 responses

I consider myself a well-prepared teacher who is able to help the digitally addicted students.

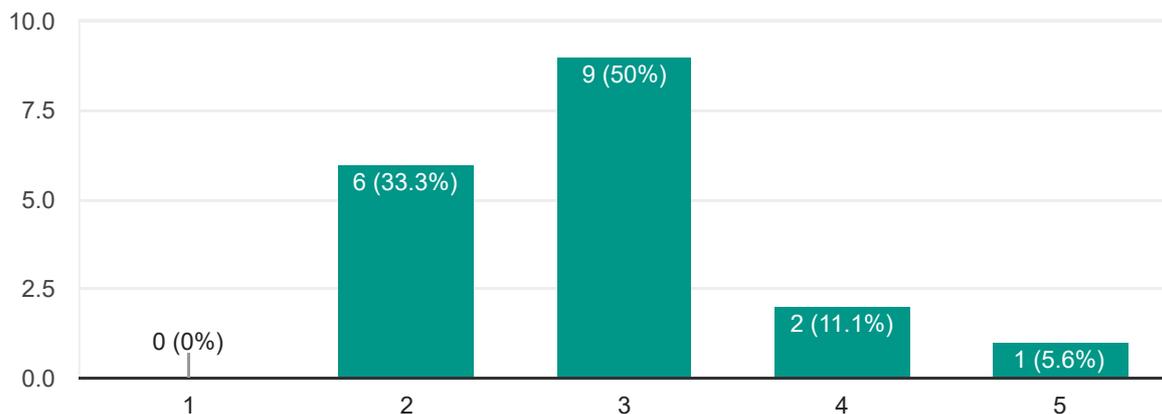

18 responses

I apply different teaching strategies to help young internet addicts.

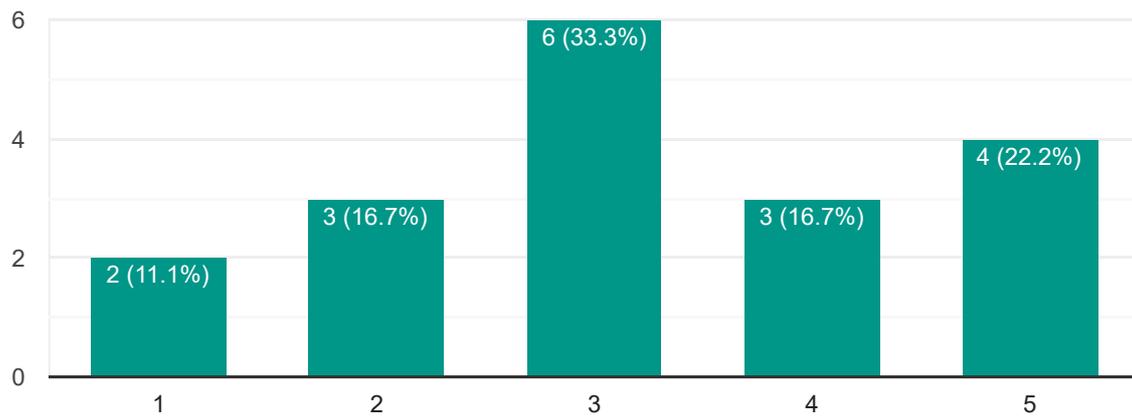

18 responses

I know about the physical consequences of internet addiction.

 Copy

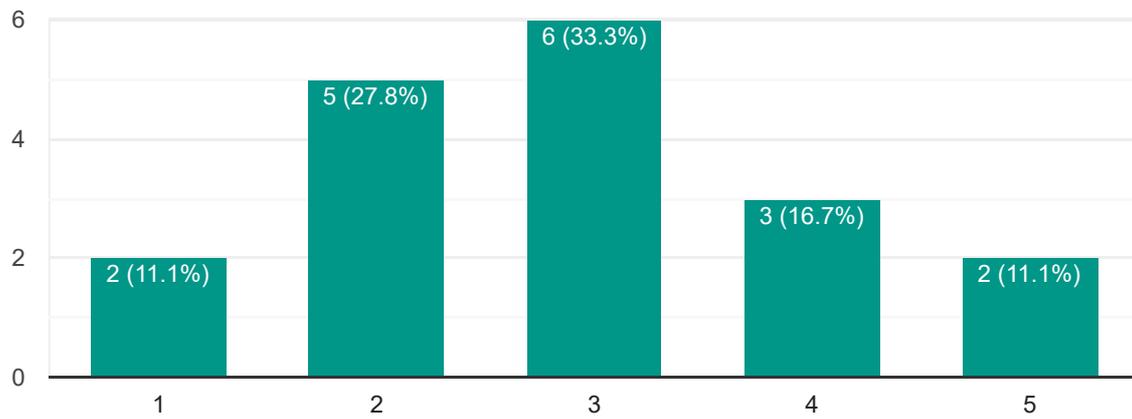

18 responses

I try to help addicted students with different practices.

 Copy

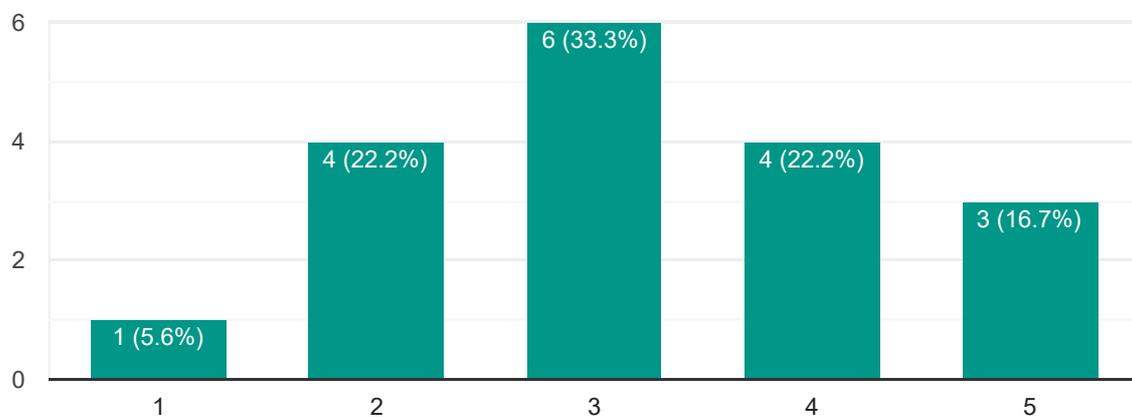

18 responses

I can give advice to my students how to use the Internet in a proper way.

 Copy

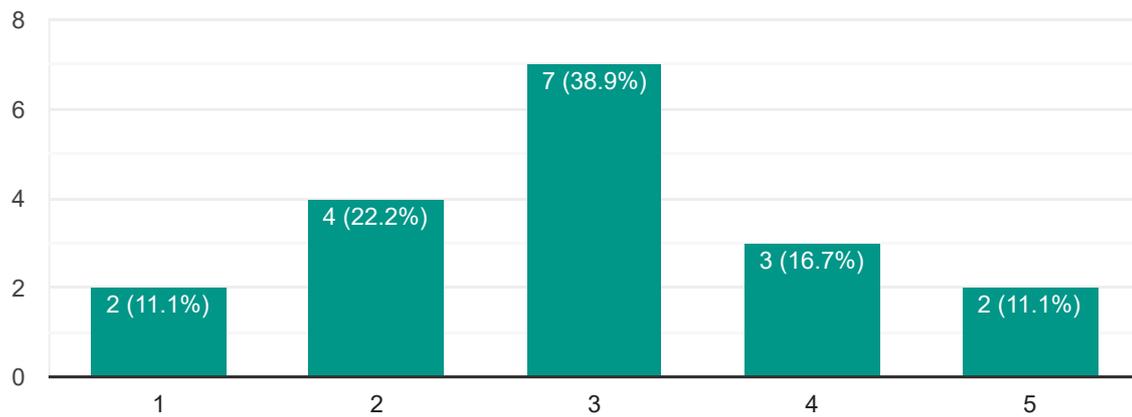

18 responses

I can recognise the situations when my student needs psychological help.

 Copy

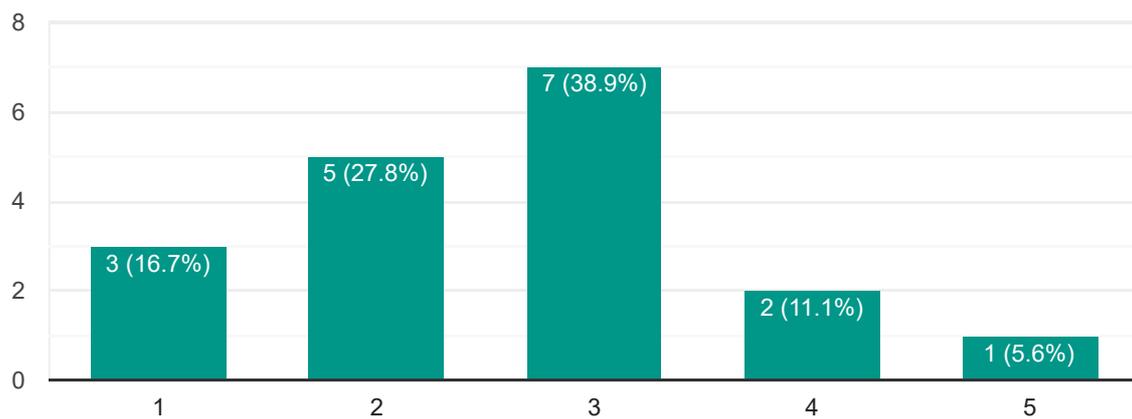

18 responses

I can explain my students how visual environment has an effect on them.

 Copy

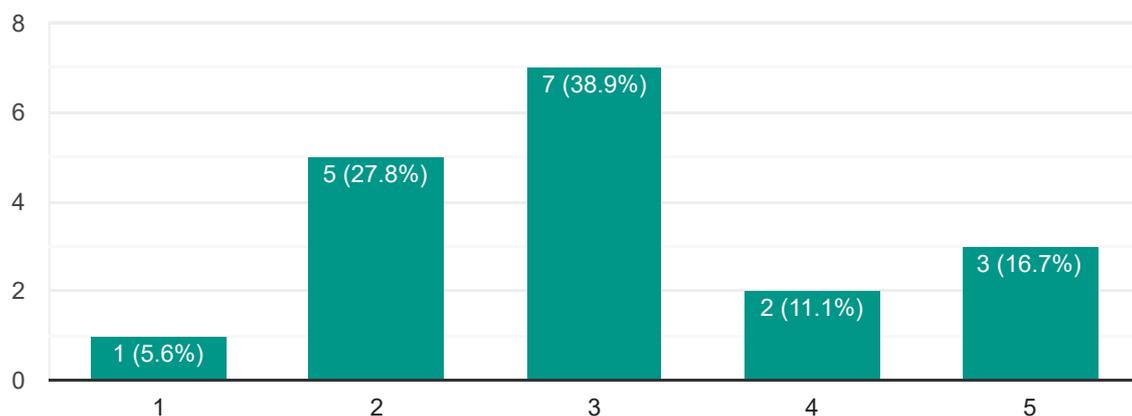

18 responses

I can explain my students how to realise the symptoms of digital addiction.

 Copy

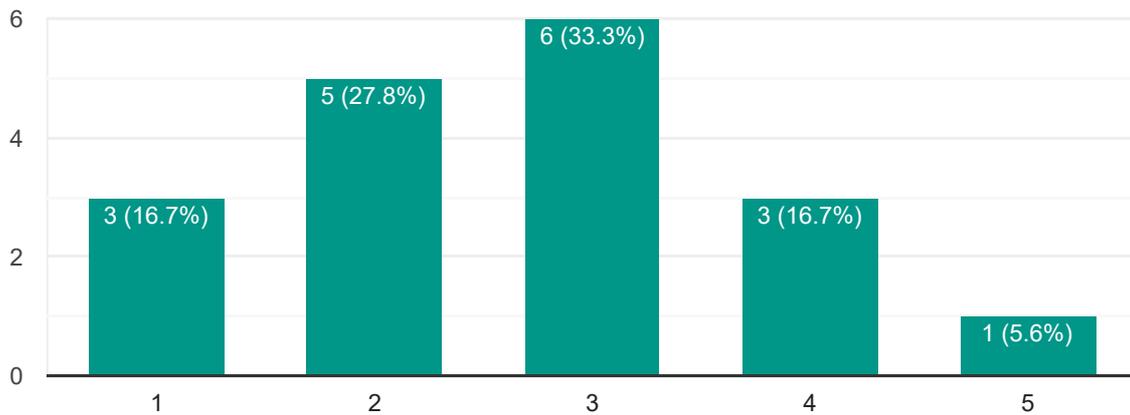

18 responses

During my classes I incorporate activities to support prevention of Internet addiction.

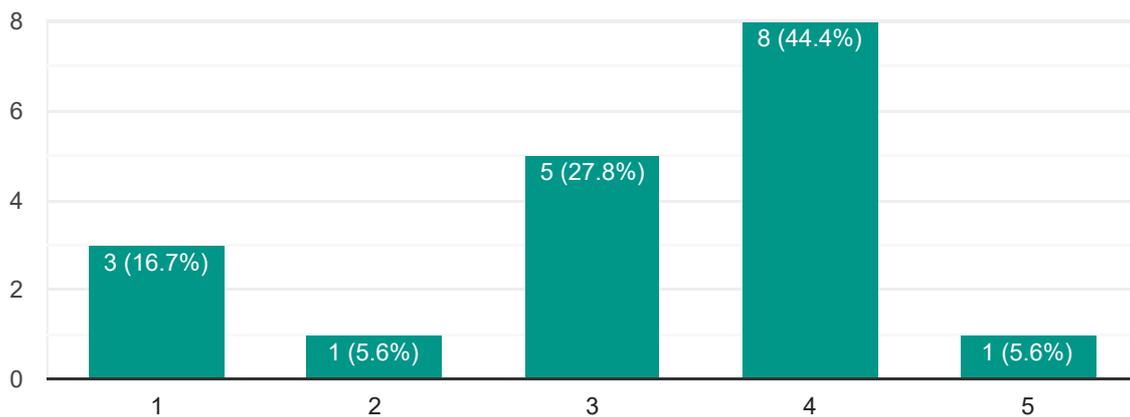

18 responses

I recommend the students alternative ways of spending their freetime instead of the Internet.

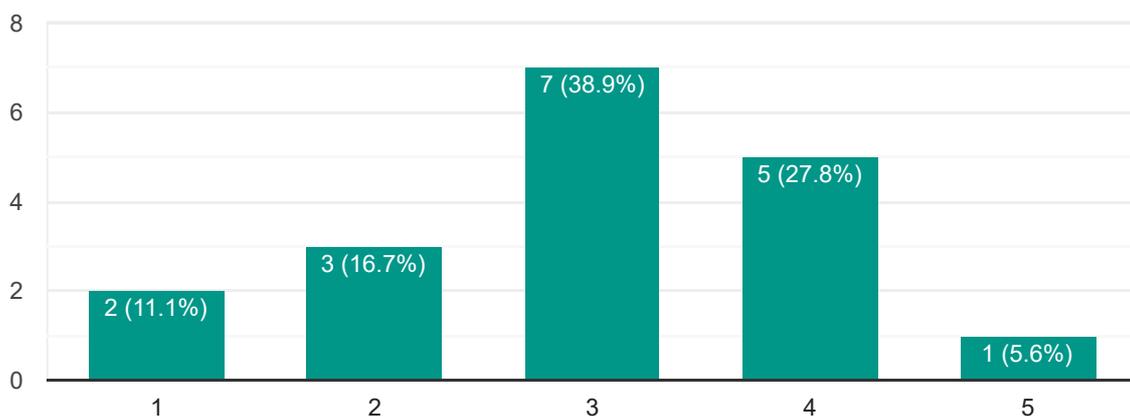

18 responses

I guide my students to overcome addiction.

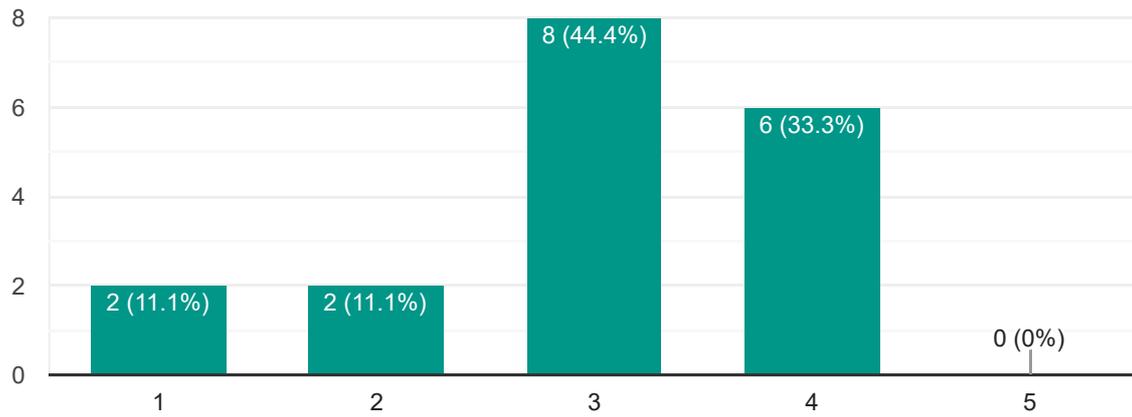

18 responses

I can prepare my students how to recognise and handle cyberbullying.

 Copy

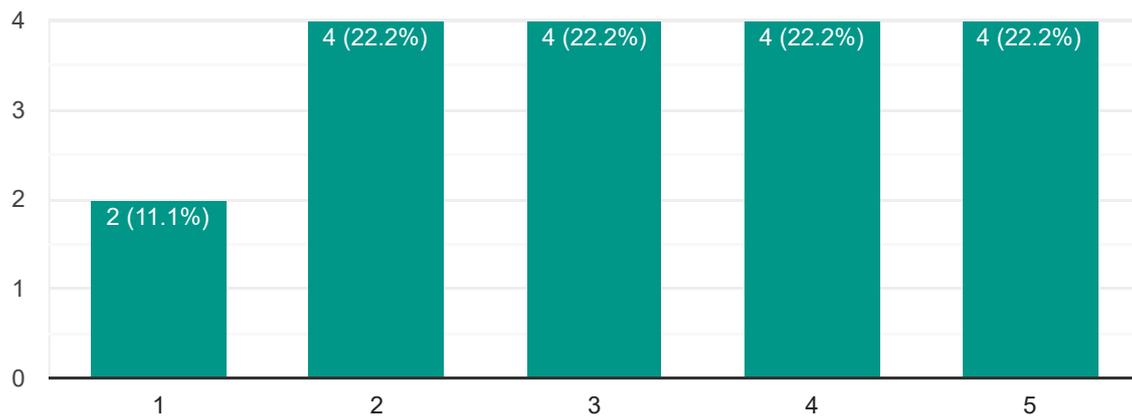

18 responses

I show them the possible tragical consequences of cyberbullying and Internet addiction.
